SUMMARY OF FINDINGS AND RECOMMENDATIONS
February 14, 1962

Board of Selectmen
Salisbury, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Salisbury for the fiscal year ended December 31, 1961, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

PREVENTION IS EVERYBODY'S BUSINESS

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocketbook — yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness - our carelessness. This, we - you - and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations - hours, etc., governing the use of the town dump we are simply protecting yours and the town's interest.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.

Fire Department Report

In April the Salisbury Volunteer Fire Department was reorganized with the selection of new officers for the department.

The men volunteered to take turns checking the equipment each week and agreed to hold regular monthly meetings for instruction in the use of equipment, etc. The men also volunteered their time as call firemen and adequate insurance has been purchased to protect them.

A call system was set up and a third fire phone was installed.

During the year a tank truck was added to the equipment and the men also gave their time and energy in the installation of a new oil furnace at the fire station from the department's appropriation.

During the year the department was called out to one chimney fire, one out of town fire, and two false alarms were answered, with a good turnout of men each time.

The department is deeply appreciative to all who have contributed in any way to make it a better working organization.

School Board's Report

This year the number of pupils in our school has increased and we expect another increase in enrollment next year. If this continues it means we will have to think of an addition to our building soon.

This is the last year Mr. Hounsell will be with us and we greatly appreciate all he has done for us.

Miss Norma Lovejoy resigned from the board in November and we asked Mrs. Vira Taylor to serve the rest of the year in Norma's place.

We wish to thank the Women's Relief Corps. of Franklin and the American Legion Post of Andover for the fine flags donated to the school, also the P. T. G. for the flag pole.

We have tried in the past to get a deficiency appropriation approved by the Budget Committee and the Selectmen but have been unable for some reason to get it, so we are trying again this year. This deficiency dates back to the closing of the Valley Trust Bank. The State Auditors recommended we do this. There is an account of the State Audit included in our report.

I am going off the board this year and do not wish to be re-elected, although I have enjoyed the privilege of serving with the other members very much and have learned a great deal.

Respectfully submitted,

ARVILLA M. FOGARTY,
Chairman

Report of Superintendent of Schools

To the School Board and Citizens of Salisbury:

In this my final report to you I want to express my thanks to all who have been directly concerned with the education of the children of Salisbury. This includes teachers, school board members, parents and friends of the community. It has been a real pleasure working and planning with you. Over the years, the experience has been for me a very pleasant one. You have always been receptive to whatever suggestions I have made tending toward change for improvement of the schools.

School board members have worked with me in a spirit of cooperation that has enriched my professional thinking and guided my actions in my administration of your schools.

For all these things I am most grateful. As I leave the scene of active duty, I shall recall with satisfaction and genuine pleasure the years I have worked with you and your teachers to help promote better educational opportunities for your children.

Respectfully submitted,

WILLIAM B. HOUNSELL
Superintendent of Schools

Report of The Supervisor of Music

To the Superintendent of Schools:

In September a general music program was started in the Salisbury public school system.

New books were secured for the three sections of the school. These are the finest books on the market in my judgment and the children enjoy them very much. The songs are songs that appeal to the age of the student and they have rhythm accompaniment as well as music theory for many songs.

We have not been able to start the use of recordings yet but hope that will be possible next year. Each of these new books has an individual album of records to accompany the book. These records are interesting, pleasant to hear, and instructive to both the children and the teacher.

The children are very responsive to the new music program and I have confidence that much progress is being seen already and that the future will show even more.

I wish to express my appreciation to each of the teachers. They have been most cooperative and pleasant to work with.

Respectfully submitted,

LEA FOWLER

Supervisor of Music
